where community and tranquility meet

Located just off of West Beach Boulevard (County Highway 182) in Gulf Shores, Alabama, Heron Point offers residents the serenity of seclusion without sacrificing the conveniences of modern life. A private, gated community perched on a peninsula overlooking the waters of Little Lagoon, Heron Point is just minutes away from shopping, restaurants, golf courses, hospitals and schools. There are no choices to make when you have the best of both worlds.

build your dream where memories are made

Heron Point is an exclusive development of just twenty single-family homes, each with at least fifty feet of waterfront privacy, and lot owners will be allowed to build a pier. A tropically landscaped clubhouse with swimming pool and tennis courts will be available for the exclusive use of Heron Point residents for recreation and entertainment. Whether it's your primary residence or a summer retreat, you have found the beach property that you have been looking for at Heron Point.
